Fixed Fee Divorce

and Collaborative Law

Fixed Fee Divorce

Wallace Robinson & Morgan solicitors are pleased to be able to offer a fixed fee divorce package for all work in connection with obtaining your divorce. This will include preparing the divorce petition and other necessary documentation, liaising with you, your partner and the Court and applying for the two Decrees required to finalise the divorce. Please contact us to discuss your individual circumstances so that we can give you details of our fixed fees and any other costs involved. Please note that our fixed fee offer is subject to the divorce being undefended and without any unforeseen complications. It excludes work done in relation to the finances or any children.

Collaborative Law

Wallace Robinson & Morgan also offer an innovative new approach to resolving family matters. We believe that, in the majority of cases, the best and most amicable solutions are those agreed between the couples themselves. Collaborative Law allows couples to meet face to face, with the support of their respective solicitors, and discuss their views and suggestions for resolving the matter. This enables couples to reach agreement without the need for costly, stressful and time-consuming Court battles. Everyone in the room has the common goal of finding the best solution for the couple and their family.

Collaborative Law has numerous benefits: participants still have their own independent legal advisor but maintain control without being threatened by Court proceedings. The couple set the agenda for each meeting, enabling them to discuss the issues that matter most to them and their family. Furthermore, it is crucial for a harmonious future relationship, particularly when children are involved, to maintain communication between the parties, and Collaborative Law ensures this is achieved.

Dipika Mistry and Kathryn Ferris
Wallace Robinson & Morgan Family Lawyers

Our specialist family lawyers can advise you as to whether these agreements are right for you.

Head of the Family Law department, Kathryn Ferris is a qualified Collaborative Family Lawyer and offers the benefits of this revolutionary approach to her clients. Dipika Mistry, is an accredited Law Society Family Law solicitor. Kathryn and Dipika are both members of "Resolution", an organisation that promotes constructive, non-confrontational methods to resolve family issues.

If you would like to discuss any family law issue, our fixed fee divorce offer or find out more about the Collaborative approach, please contact us.

Spotlight on your local property professional

Many of you will have met **Louise Lane**, **smarthomes'** local property expert for Hollywood and Wythall. Louise has worked in the area for the last 20 years, and enjoys living and working in such a vibrant village.

It is so important to choose an agent with local knowledge on both a personal and professional level. As a local resident, Louise is able to give buyers an in depth knowledge on all of the many benefits of living in Hollywood and Wythall. This has been a huge benefit to our clients and one of those clients commented recently, 'We were recommended to **smarthomes** by our Son. Louise successfully sold his property after being on the market with another local estate agent and also an internet agent. Louise was able to give our buyers first-hand information on all the local schools, shops, transport etc. But most importantly she was always on hand to answer any of our questions or worries and act on the promptly and efficiently' Over the recent months Louise has sold houses to

people who hadn't even considered living in the area, but because of her love and enthusiasm for both Villages, she has helped people to understand that they are a fabulous place to live, work and raise a family.

Louise has had an amazing career in agency, spanning over 24 years. She is happily married, has a daughter and has two dogs, Sam & Pepper, who both enjoy local walks... another thing she is able to offer advice on!

In November, Louise will

be offering a free 'Valuation Clinic' to the residents of Hollywood & Wythall. She will be offering her expertise on the value of your home, no sales pitch, just honest advice on how much your property is worth. Louise has provided this service in the past and it has proved to be very popular.

To register your interest early in the 'B47 Valuation Clinic' give **smarthomes a call on 0121 7444144 or email Louise directly on louise1@smarthomes.co.uk.**
